Construction Update for College Avenue Widening Project at U.S. 101
Eastbound Lane Closures Sunday Night – Thursday Night, from 8:00 p.m. to 6 a.m.

Santa Rosa –Caltrans continues to work on the south side of College Avenue, between Cleveland Avenue and Morgan Street.

- For the next few weeks, residents and businesses should expect that one lane of **eastbound College Avenue** will be closed as necessary from Cleveland Avenue to Morgan Street, Sunday night through Thursday night, from 8:00 p.m. to 6 a.m.
- During this work, one lane in each direction will remain open on College Avenue.

This project will widen College Avenue at US 101 between Cleveland Avenue to the west and Morgan Street to the east of the interchange. Improvements include new bicycle lanes and pedestrian sidewalks in either direction, a second left-turn lane for eastbound College Avenue approach to the northbound US 101 on-ramp, and an extension of the westbound College Avenue to northbound Cleveland Avenue right-turn lane that will start at Morgan Street. New replacement traffic signals within project limits will provide further enhancement to the interchange.

For more information about the project, visit the Department's website at <http://www.dot.ca.gov/dist4/101collegeave>.
